Southern New Hampshire University Earns 2001-2002 Northeast-10 Academic Achievement Award *UMass Lowell's Montgomery, Assumption's Schlesinger Named Northeast-10 Scholar-Athletes of the Year*

South Easton, Mass. – Southern New Hampshire University of Manchester, NH has been named the recipient of the Northeast-10 Conference Academic Achievement award for the 2001-2002 academic year.

The award is determined by the conference's faculty athletic representatives in calculating the average grade point average for the entire student body of the 15 member institutions from the previous academic year (2001-2002). That average is compared to the average grade point average of all student-athletes competing in the 20 conference-sanctioned championship sports. Each respective institution's academic standing is then determined by subtracting the average grade point average for the entire student body for that determined for the student-athlete population.

Southern New Hampshire edged the University of Massachusetts Lowell and last year's award winner Saint Anselm College for the honor.

Robert Montgomery, a football standout at UMass Lowell, and field hockey standout Heather Marie Schlesinger of Assumption College, have been named the 2001-2002 Northeast-10 Conference Male and Female Scholar-Athletes of the Year, respectively. The announcement was made by Northeast-10 Conference Commissioner David R. Brunk.

"I congratulate Robert Montgomery and Heather Schlesinger on their achievements," Brunk said. "The Northeast-10 Conference takes pride in its strength academically and our winners epitomize the well-rounded student-athletes on our campuses who successfully integrate athletics and academics."

Montgomery, a native of Lowell, Mass. who majored in Plastics Engineering, posted a 3.81 grade point average, while enjoying a strong season for the River Hawks as a center.

Montgomery was a 2001 Verizon Division II All-American and two-time District I Academic All American. He was a six-time Dean's List member, was inducted into the Tau Beta Pi Engineering Society, was the recipient of the Dean's Scholarship for Academic Excellence, earned the UMass Lowell Alumni Association Department Recognition Award,

Montgomery was also a three-time recipient of the National Student-Athlete Day Academic Award, and earned the 2001 Nils V. "Swede" Nelson Award by the Gridiron Club of Greater Boston.

A captain for the River Hawks football team this past season, Montgomery was a four-year starter on the offensive line, playing in 39 of 43 possible games.

Schlesinger, a native of North Ferrisburg, Vt., was an eight-time Dean's List student and graduated this past Spring with a 3.83 GPA having majored in Biology and Chemistry and minored in Music.

Schlesinger received the Crown and Shield Award for Academic Excellence and Community Service, was commissioned as a Second Lieutenant in the United States Army in May and received the George C. Marshall Award for Leadership, and was selected as Battalion Commander of her ROTC unit.

On the field, Schlesinger was a standout defender, earning team most valuable player honors, and was a All Northeast-10 First Team Selection, National Field Hockey Coaches Association (NFCHA) First Team All-American, NFCHA North/South Senior All-Star and ECAC Division II First Team All-Star.

Schlesinger was accorded gold conference academic achievement honor roll status three times, earned National Field Hockey Coaches Association all-academic team three straight years and is an alternate winner for an N.C.A.A. Post Graduate Scholarship. In addition she was named to the Omicron Kappa Delta National Honor Society for Leadership and Volunteerism in 2000.

The Northeast-10 has also released its 2001-2002 Commissioner's Honor Roll, which is attached. Each institution is honored with a gold, silver and bronze scholar athlete list. Each Gold Scholar finished in the top five percent for grade point average among student athletes. Silver Scholars finished in the top six through ten percent and bronze scholars placed among the top 11 through 15 percent.

The Northeast-10 is one of the nation's largest and most diverse NCAA Division II playing conferences. It sponsors 20 championship sports including baseball, men's and women's basketball, men's and women's cross country, football, field hockey, men's golf, men's and women's lacrosse, men's and women's soccer, men's and women's indoor track and field, men's and women's outdoor track and field, men's and women's tennis, softball and women's volleyball.

Members of the Northeast-10 are American International College, Assumption College, Bentley College, Bryant College, Franklin Pierce College, Le Moyne College, The University of Massachusetts Lowell, Merrimack College, Pace University, Saint Anselm College, Saint Michael's College, The College of Saint Rose, Southern Connecticut State University, Southern New Hampshire University, and Stonehill College.
